

A vertical green decorative strip on the left side of the flyer. It features a purple butterfly at the top, followed by a yellow flower with a white center, and a purple flower with a white center at the bottom. The strip is bordered by a dashed white line and has a series of white dots along the bottom edge.

The Minnewaska PTA has a new event planned for Spring Fling!! We are still holding the basket raffle but in place of the music and dancing we are holding a BINGO for BOOKS event!

If you would like to donate gently used books to this event as prizes, please drop them off at the elementary school or send with your child to their teacher and mark as BINGO for BOOKS donation!

Save the Date!
Friday, March 16th

A vertical green decorative strip on the right side of the flyer. It features a large purple flower with a white center at the top, followed by a yellow flower with a white center, and a purple flower with a white center at the bottom. A purple butterfly is positioned between the two bottom flowers. The strip is bordered by a dashed white line and has a series of white dots along the bottom edge.
