

## **IN-PERSON LEARNING MODEL:**

### **Minnewaska Elementary**

- Breakfast: students will pick up a grab-and-go breakfast to take back to their classroom.
- Lunch: students will have the choice between a hot or a cold lunch. Meals will be delivered to and consumed in the classroom.
- Students will use a scan card vs. a lunch pin pad to make the meal process contactless.
- All foods will be prepackaged for our students to avoid cross contact.
- Nutrition Services staff will wear face coverings.
- Students will wash hands before meal service and after meal service, as well as hand sanitizer made available.

### **Minnewaska Intermediate School Grades 4-6**

- Breakfast: students will pick up a grab-and-go breakfast to take back to their classroom.
- Lunch: students will have the choice between a hot or a cold lunch. Meals will be eaten in various locations throughout the building with physical distancing in place.
- Students will use a scan card vs. a lunch pin pad to make the meal process contactless.
- All foods will be pre-dished for our students to avoid cross contact.
- Nutrition Services staff will wear face coverings.
- Hand sanitizer will be made available at the entrance of the cafeteria.

### **Minnewaska Grades 7-12**

- Breakfast: students will pick up a grab-and-go breakfast to take back to their classroom.
- Lunch: students will have the choice between a hot or a cold lunch. Meals will be eaten in various locations throughout the building with physical distancing in place.
- Students will use a scan card vs. a lunch pin pad to make the meal process contactless.
- All foods will be pre-dished for our students to avoid cross contact.
- Nutrition Services staff will wear face coverings.

# Minnewaska Area Schools

ENGAGE EVERY STUDENT, EVERY DAY! District 2149

- Hand sanitizer will be made available at the entrance of the cafeteria.

## **WIN**

- Breakfast and lunch: students will have the choice between a hot or a cold lunch. Students will eat in designated areas that allow for physical distancing.
- Students will use a scan card vs. a lunch pin pad to make the meal process contactless.
- All foods will be pre-dished for our students to avoid cross contact.
- Nutrition Services staff will wear face coverings.
- Students will wash hands before meal service and after meal service, as well as hand sanitizer made available.
