ENGAGE EVERY STUDENT, EVERY DAY! District 2149

November 5, 2020

Minnewaska Area Community Members,

The Minnewaska Area School District is genuinely proud of our ongoing commitment to honor our military veterans by hosting the 2020 Veterans' Day Program. As many of you already know, this tradition is one we are honored to host and has been ongoing since 2008.

Even though the times we are living in present challenges, Minnewaska Area Schools have decided this year is as important as any in continuing the tradition of recognizing our veterans. Given the military service veterans have rendered for freedoms we all enjoy, we were more inspired than ever before to be able to create and host the 2020 Veterans' Day Program.

As we are sure you already know, our preference would be to gather together in person to recognize our veterans. However, as the health and safety of our communities remain our top priorities, we have decided to create a virtual salute to our many service men and women. One we think you are going to enjoy. The benefits of doing this virtually is that we will be able to post it on our website as well as several social media sites for you to enjoy.

On Wednesday, November 11, 2020, the School District will be posting the 2020 Veteran's Day program on the district website <https://www.minnewaska.k12.mn.us/>, YouTube [https://www.youtube.com/channel/UCfjTEH4PH-avmZGC8ApT\\_6g](https://www.youtube.com/channel/UCfjTEH4PH-avmZGC8ApT_6g), and our Facebook page <https://www.facebook.com/waskapride>.

We worked with our local veteran's organizations to very humbly and with genuine sincerity salute the veterans of this great country. We are extremely proud of how this presentation turned out. Please watch it several times and be sure to share it with your friends and relatives across the country.

We hope you enjoy the program. We cannot thank our military veterans enough for all they have done and all they have given to protect the freedoms we enjoy.

Most Respectfully,

Angie Van Zee & Karna Palmer
