

# Minnewaska Area Schools

## **High School School Supply List**

Locker dimensions are 11" x 11" x 44" - some locker shelves do not fit our lockers.

- #2 Pencils - most students find they need 24 per quarter
- Black or Blue Pens
- 2 boxes of tissue for classroom use (bring to homeroom)
- Earbuds - inexpensive, but durable with a straight-input plug to be kept at school

*Some teachers may request additional supplies for their individual rooms during the first weeks of school. They will notify the students as needed. To help students with organizational skills, it is recommended that notebooks and folders be color coordinated for each subject area.*

**GO LAKERS!**
