Dear Laker Family,

This year is unique in planning the district's annual Homecoming Festivities. We are proud of the festivities we have put together in the past and knew that we needed to think about this year differently while following safety precautions and CDC recommendations. Although this year's homecoming activities may not look exactly what we are used to, we are working hard to provide exciting opportunities for our students. We are excited to be putting together these activities for our Students and Community.

While we continue to finalize the activities for Homecoming week set for October 3rd-October 8th, I wanted to communicate a few changes this year for our students and community members. **Coronation will be held in the Auditorium on Sunday October 3rd at 4:00 PM.** There will not be a formal homecoming dance this year. However, following the football game we will have a **Homecoming Celebration in the Plaza for 9-12th grade students.** Also, the **Homecoming/Community parade will be taking place in Starbuck this year.**

We look forward to enjoying the week with our fellow Lakers and Community Members. Further information will be sent out in the coming weeks. Please feel free to reach out to me with any questions or concerns.

Sincerely,

Chip Rankin
