IV. REPORTING PROCEDURES

- B. Whenever a mandated reporter, as defined herein, knows or has reason to believe that an individual made an error in the provision of therapeutic conduct to a vulnerable adult which results in injury or harm, which reasonably requires the care of a physician, such information shall be reported immediately to the designated county agency. The mandated reporter also may report a belief that the error did not constitute neglect and why the error does not constitute neglect.
- C. The report shall, to the extent possible, identify the vulnerable adult, the caregiver, the nature and extent of the suspected maltreatment, any evidence of previous maltreatment, the name and address of the reporter, the time, date, and location of the incident, and any other information that the reporter believes might be helpful in investigating the suspected abuse or neglect. A mandated reporter may disclose not public data, as defined under Minnesota Statutes section 13.02, to the extent necessary to comply with the above reporting requirements.

- D. A person mandated to report suspected maltreatment of a vulnerable adult who negligently or intentionally fails to report is liable for damages caused by the failure. A negligent or intentional failure to report may result in discipline. A mandatory reporter who intentionally fails to make a report, who knowingly provides false or misleading information in reporting, or who intentionally fails to provide all the material circumstances surrounding the reported incident may be guilty of a misdemeanor.
- E. Retaliation against a person who makes a good faith report under Minnesota law and this policy, or against vulnerable adult who is named in a report is prohibited.
