From the Office of Community Education & Activities

Our unusually mild winter weather will soon give way to even warmer days and milder temperatures of early spring. We look forward to the opportunities our area citizens and students can partake in the area of Community Education and Activities programming.

Included in this edition of the Minnewaska Messenger, Minnewaska Area Schools Community Education is offering a number of interesting activities and courses for all ages. There's something to involve everyone as we anticipate the changing seasons in the months ahead. There are new classes being offered in several areas so be sure to look through everything carefully to see what might interest you as spring approaches!!

All information concerning MAS Community Education and MAHS spring activities and schedules can be found online by going to the school website at www.minnewaska.k12.mn.us under the Community Ed or Activities tab or by calling the MAS Community Education/Activities office at 320-239-1305.

As the 2023-24 school year moves toward a successful conclusion, the Minnewaska Area Schools Office of Community Education and Activities is excited to welcome back the warm sunshine and to encourage everyone to participate in the wide variety of programming offered to those of all ages!

Sincerely,

Bill Mills

From the Office of Minnewaska Laker Activities

As always, the Minnesota seasons continue to pass quickly as we move from winter to spring activities at Minnewaska Area Schools. We are hopeful that we have a beautiful spring season so our Laker student participants and their teams can get outside and enjoy beautiful spring weather.

Most importantly, the spring activity season is always an exciting time of the year. Spring season brings optimism and the anticipation of being outside to create new memories, team comradery, and competition. The spring season presents the opportunity to watch our student participants led by quality coaches and advisors. Without a doubt, it's a chance to experience the journey of participating in Minnesota State High School League sponsored activities at Minnewaska Area Schools.

Moving forward in the area of Minnewaska Area High School Winter Activities, students in grades 7-12 may choose to participate in boys tennis, baseball, girls/boys track, boys/girls golf, girls softball, and trap shooting. Interested participants who were not involved in a fall or winter activity must complete all MAHS and Minnesota State High School League forms online before participation takes place. Fees can also be paid online, or in the MAHS Activities Office. For more information, go to the Activities tab on the Minnewaska Area Schools website and scroll down to Register for Activities or click on this link: <https://minnewaska-hs-ar.schooltoday.com/>. All online forms must be completed and fees paid prior to the first day of practice.

Additionally, to prepare for the spring season the Minnewaska Lakers Coaching staff will meet with parents/guardians and participants in grades 7-12. This includes boys tennis, baseball, girls & boys track, boys & girls golf, girls softball, and trap shooting. During that time our Laker coaching staff will speak about important topics for athletes and parents/guardians. Each activity will notify families of the date of their pre-season meeting. All other information concerning Minnewaska Area Activities can be found online by going to the school website at www.minnewaska.k12.mn.us under the Activities tab or by calling the Laker Activities Office at 320-239-1305.

The Minnewaska Area Schools Activities Office wishes everyone a warm and healthy end to the winter season. It should be a great Laker spring season!

Sincerely,

Phil Johnsrud

Instant Piano for Hopelessly Busy People

In just a few hours, you can learn enough secrets of the trade to give you years of musical enjoyment. Learn to play piano the way professionals do using chords. Since this class is being held online with ZOOM you will be able to sit at your piano or keyboard at home and take this course with no pressure at all. And since this course includes an online book and online follow up video lessons, you will be able to continue your practice and study on your own. An optional periodic online question and answer session is also included. A recording of the class is included as well. The course is partly lecture/demonstration and partly hands-on instruction.

Topics include:

How chords work in a song

- How to get more out of sheet music by reading less of it
- How to form the three main types of chords
- How to handle different keys and time signatures
- How to avoid "counting"
- How to simplify over 12,000 complex chords

For more information on these classes, the website is: chordsarekey.com. Both the Instant Piano and Instant Guitar class are ONE-time crash courses mostly for adults. Students take the online class and then follow that up with their own private study and practice by using our follow up video lessons and the online book which they begin using in the first seminar. We also offer an optional monthly question and answer session after the class is held for any interested students.

Date: Monday, March 18

Time: 6:30-9:30 p.m.

Cost: \$55 per class

Instant Guitar for Hopelessly Busy People

Have you ever wanted to learn the guitar but simply find it difficult to find the time? In just a few hours you can learn enough about playing the guitar to give you years of musical enjoyment, and you won't have to take private lessons to do it. This crash course will teach you some basic chords and get you playing along with your favorite songs right away. Since this class is being held online with ZOOM, you will be able to sit at home with your guitar and take this class without any pressure at all. And since the class includes an online book and online follow-up video lessons, you will be able to continue your practice and study on your own. An optional periodic online question and answer session is also included. A recording of the class is included as well. Class limited to 15 students.

Topics include:

- How chords work in a song
- How to form the three main types of chords
- How to tune your guitar
- Basic strumming patterns
- How to buy a good guitar (things to avoid)
- How to play along with simple tunes

Purchase a Paver... to Honor a Veteran

Minnewaska Area District # 2149 named Veterans Field in honor of all Veterans who have served and especially those who have given the ultimate sacrifice.

In addition to Veterans Field, it is Minnewaska Area Schools honor to dedicate a section of our plaza, located between the baseball field and football field, to honor individuals who have served.

You can purchase an engraved, personalized paver to be displayed in the plaza. Each engraved paver is 7-³/₈ x 3-³/₈ and can be purchased for \$25. Placement of pavers within the plaza is random and installation may not happen right away.

If you would like to purchase a paver, please fill out the form and send it to our office via email or mail. To access the form, visit our website www.minnewaska.k12.mn.us > Community Education tab > scroll to the bottom of the page, in the blue box named "Resources" click on "Veteran Paver Order Form." Please email completed form to cjanu@isd2149.org or mail to the school.

EARLY CHILDHOOD FAMILY EDUCATION

Early Childhood Family Education classes (ECFE) offers classes for all families and their children ages birth through 5 (not yet in Kindergarten). ECFE classes are a fun way for you and your child to learn and grow together while exploring new experiences and meeting other families. The program engages adults and their children in educational activities and experiences that foster children's social, emotional, cognitive, physical and language skills.

What to Expect:

Separating classes: For one half of the class, families and children are together exploring and learning in the early childhood classroom. During the second half of the class, adults will separate for discussion and learning about child development and parenting topics. During this time, the children will explore the classroom with the early childhood teachers.

Non-Separating classes: Families and children will stay together for the entire time exploring and learning in the classroom with an early childhood teacher.

Please join us for one or more of our classes and experience the benefit of parent connections and early learning activities. We look forward to being a trusted resource for learning and support for your family! For more details about ECFE, visit the Early Childhood page on the Minnewaska Area Schools website under the Schools tab. <https://minnewaska.reg.eleyo.com>
