Laker High School Happenings!

Safe Schools: We conducted our first fire drill on September 13 and will have another fire drill in the upcoming weeks. We will also conduct an enhanced lockdown drill where students practice ALICE training drills in the event of a critical incident. More information will come directly related to this topic next week.

Homecoming 2024: Congratulations to our Homecoming Court and Riley Thorfinnson and Ella Lewison on being crowned King and Queen. The Laker school spirit was in full swing for the entire week with events, activities, pep fest, and capped off with a parade in Glenwood and the Homecoming Football game and dance. It was great to see our Laker Pride!

Cell Phone Guidelines: We have seen great success to start the year with students and devices. We continue to ask for your support in helping us reduce distractions and improve overall student health!

Drones Class: Above picture is from our new Drones course and the work they are doing!

Go Lakers!
